JUNE 19, 2006**

This meeting was called to order at 7:07 PM by Chairman Lottie. Roll call was taken. Lottie, Greenia, Heiden, Mueller were present; Koltunowicz and Brzuchowski were absent.

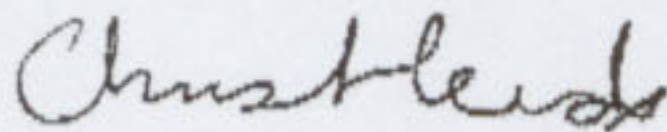

Minutes to the May meeting were read with the following modification in the third paragraph to following sentence: Heiden made a copy of our campground ordinance for him to give to Mr. and Mrs. Pietras (owners of the Emmett KOA). Discussion started regarding the pool ordinance. Mueller had spoken to the Emmett Township Board of Trustees on what they wanted us to review regarding the pool ordinance. Planning will send the matter to the township building inspector – Jim Waddy – for review of what he wants – electrical, setbacks.

Correspondence for the meeting included: 1) St. Clair County Metro Planning Commission regarding the St. Clair County Master Plan update that will occur this year; and 2) APA sent the planning commission an information packet to join the APA. The Planning Commission decided to decline the request.
